VIKING Trailers has expanded several times since its original Bright Coop facility in 1951. **VIKING Trailers** currently produces **heavy-duty** trailers for the on and off highway construction industries. **VIKING Trailers** are built at our **50-acre 80,000-square feet under roof plant** in Nacogdoches, Texas using only the highest quality components. We offer many styles of 35 to 60 ton Flatbed and Lowboy trailers and 6 to 25 ton Tag-Alongs (both in fixed and Tilt decks). Our more than **200 employees** manufacture roughly **1200 trailers per year**. **DEGA** sales@dega.com
